

Targeting your sharps needs.

Merit aims to score high in preventing needle stick injuries.

GRANDSTAND™
ShortStop

GRANDSTAND™ ShortStop

TEMPORARY SHARPS HOLDER

The best seat in the house for your sharps.

EFFICIENT USE OF SPACE

Grandstand holds your sharp devices upright while utilizing minimal space.

ORDERING INFORMATION

Catalog Numbers

SS30 – ShortStop® Grandstand™*

SS20 – ShortStop Advantage®**

SS10 – ShortStop®**

Packaging:

* 10 per box – 4 boxes per case

**25 per box – 4 boxes per case

FEATURES INCLUDE

No more bent needles; syringes rest upright against the Grandstand's integral backrest.

Corrosion-resistant foam provides easy removal and minimizes particulate.

Strategically located adhesive strips secure Grandstand to most work surfaces.

Rigid, puncture-resistant material reduces potential of needle sticks and increases safety during disposal.

OTHER SAFETY SOLUTIONS

BACKSTOP® & BACKSTOP PLUS™ CLOSED WASTE BASINS

The OSHA compliant BackStop and BackStop Plus are designed with particulate-free materials, a seal tight lid and a 500ml fluid capacity. Designed for quick and safe fluid disposal.

FUTURA® SAFETY SCALPELS

These automated retractable safety scalpels are designed to protect clinicians and patients from accidental cuts. The one-handed activation allows the clinician to focus on the surgical site.

SECURELOC™ ANGIOGRAPHIC INTRODUCER NEEDLE

The unique design of the SecureLoc introducer needle allows clinicians to easily activate a low profile safety mechanism, shielding the needle after use to minimize any harmful needlesticks.
