

ONE Vac™

EVACUATED DRAINAGE BOTTLE

The Smart Option for Fluid Collection.

Engineered with an advanced design, the One-Vac™ is the smart option when choosing an evacuated drainage bottle. Built with a number of key features, the One-Vac makes percutaneous fluid collection and discard simple, efficient, and safe.

Easy Sampling

Connect syringe and open handle to remove fluid for sampling.

Bottle Neck

Easy to hold.

Durable Plastic

Designed to prevent breakage.

Ergonomic Handle

Allows you to start, stop, and regulate flow.

Easy to remove, minimizing spills during discard.

Up to **68%** faster flow rates than competitive Evacuated Bottles¹

COMBINE MERIT PRODUCTS. CREATE DRAINAGE SOLUTIONS.

Choose from a wide selection of Merit products that are compatible with the One-Vac. Each works to provide you with the solutions you need to achieve better drainage outcomes.

Thoracentesis & Paracentesis Set
